

Daugavpils is a city in Latvia, located on the banks of the Daugava River, near the border of Lithuania, Belarus and Russia. With a population of over 90 000, it is the second largest city in the country after the capital Riga. It is an industrial and educational centre, as well as an important cultural, sports and recreation centre. It is the city with multi-ethnic and multicultural environment. Daugavpils City Council is working actively to make the city an attractive place for living and doing business through implementing different projects, including international ones.

This informative brochure has been made within the framework of the project „Challenges of Regional Centres: Depopulation Control, Development – Best Practices” (DeCoDe) in the framework of the Measure “Networks of Towns” of Action 2 “Democratic Engagement and Civic Participation” of the European Union programme “Europe for Citizens”.

Project „Challenges of Regional Centres: Depopulation Control, Development – Best Practices”
IMPLEMENTATION TIMELINE: 01/03/2018 – 01/02/2020

The project is aimed at creating a network of the largest cities after capitals, regional centers, which are significantly affected by depopulation in order to promote the exchange of good practices and to develop action plan of depopulation control for stronger local economic structures and raising citizens' awareness about mobility in the European cities.

PROJECT PARTNERS:

- ◇ LEAD PARTNER: DAUGAVPILS CITY COUNCIL
- ◇ KAUNAS CITY MUNICIPALITY, Lithuania
- ◇ LODZKIE REGION, Poland
- ◇ CITY ADMINISTRATION OF MAGDEBURG, Germany
- ◇ CEIPES, Palermo, Italy
- ◇ MUNICIPALITY OF VEJLE, Denmark
- ◇ ACTA CENTER, Oradea, Rumania
- ◇ ADIMAN, Casasimarro, Spain

ACTIVITIES AND RESULTS:

- ◇ Promoting the European citizenship;
- ◇ Enhancing and expanding knowledge about depopulation process in European largest cities, regional centres and local municipalities;
- ◇ Developing depopulation control action plan;
- ◇ Organization of international meetings and conference on prevention measures of depopulation.

MUNICIPALITY SUPPORTS PEOPLE, WHO ARE PLANNING TO RETURN TO LATVIA, WITH PRACTICAL INFORMATION AND ASSISTANCE IN SOLVING ISSUES

Anyone, who is planning to return to Daugavpils, but needs assistance in solving particular issues, can contact Daugavpils City Council, in order to get information on:

- housing opportunities;
- business and employment opportunities;
- services for families with children and educational opportunities;
- other issues of interest in the sphere of municipal services.

For more information visit: www.daugavpils.lv

Daugavpils City Council provides free Latvian language courses for residents of Daugavpils city, including reemigrant families. Schools offer state-funded support measures within one to three school years to complete compulsory primary education - to improve Latvian language skills and to study subjects such as “Latvian Language” or “Literature”, or “Latvian Language and Literature”, “Social Sciences”, “History of Latvia”, as well as subjects that are different in Latvia and the educational program previously acquired by the learner.

THE MOST FAMILY-FRIENDLY MUNICIPALITY IN 2017 AND 2018

For two years in a row Daugavpils has been resting on its laurels after participating in the competition “Family-Friendly Municipality”, organized by the Ministry of Environmental Protection and Regional Development, and becoming the most family-friendly municipality in a group of nine cities in Latvia.

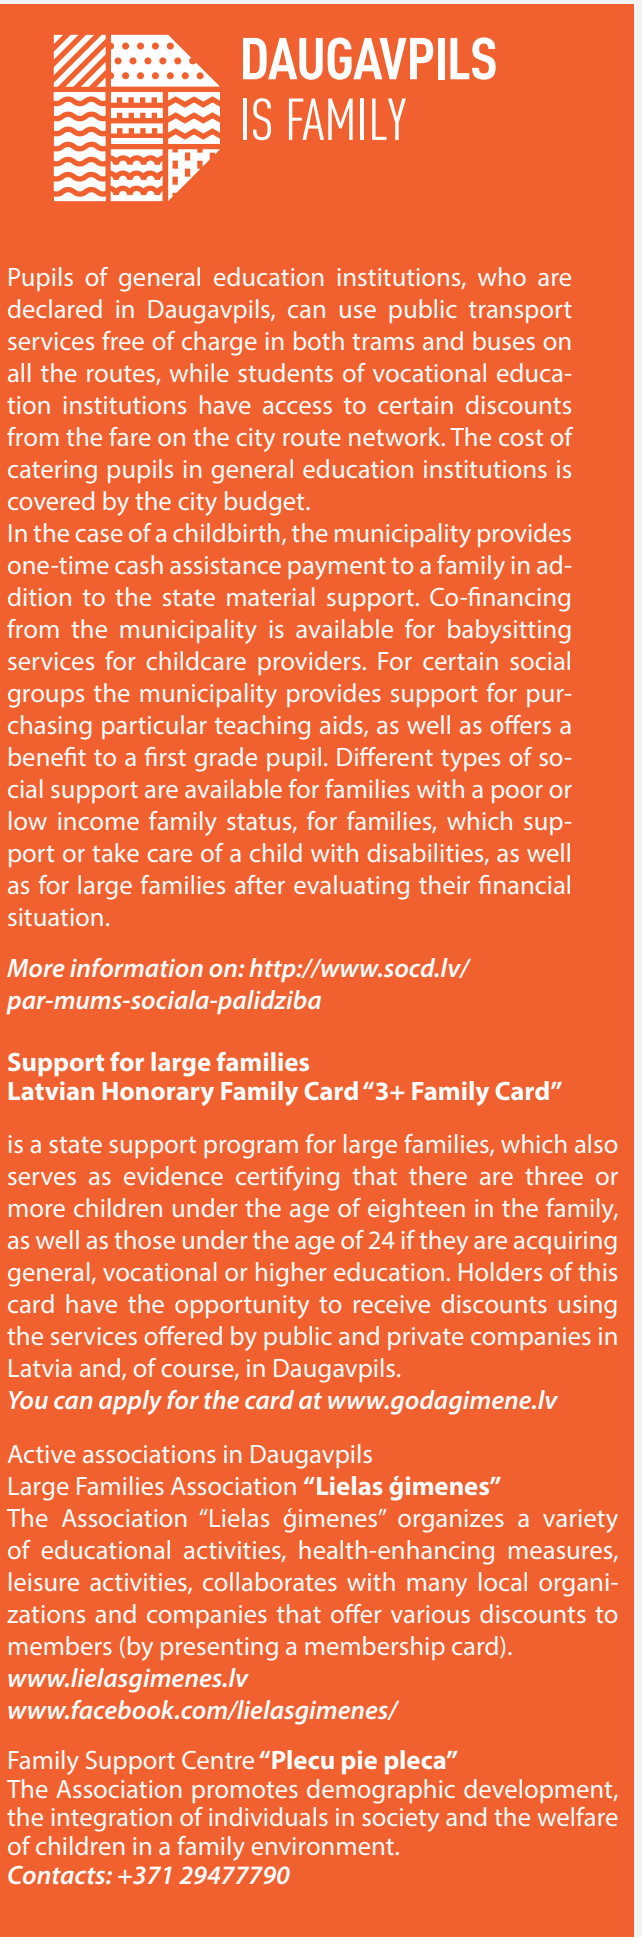

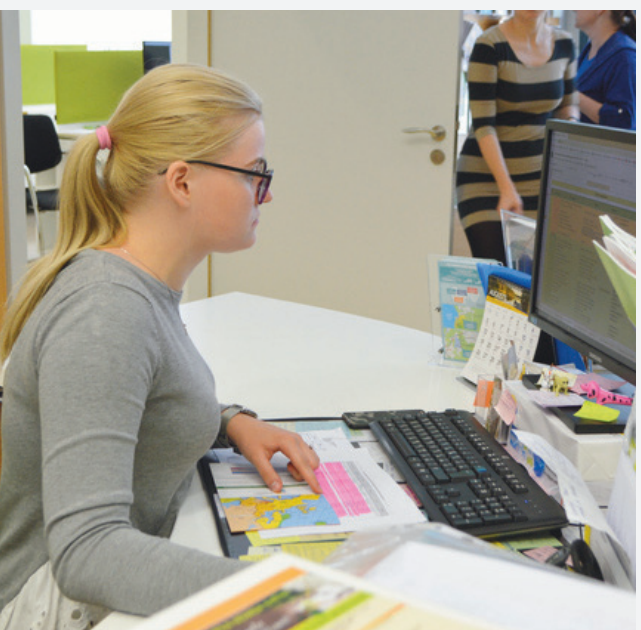

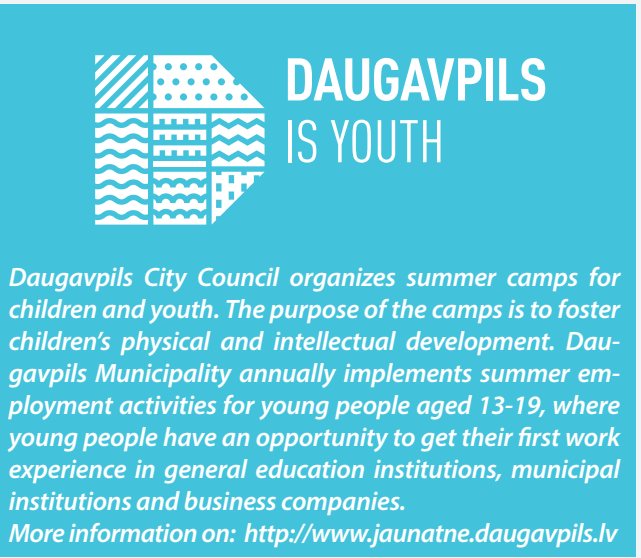

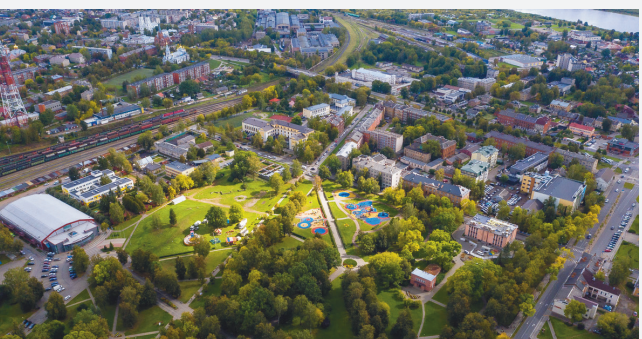

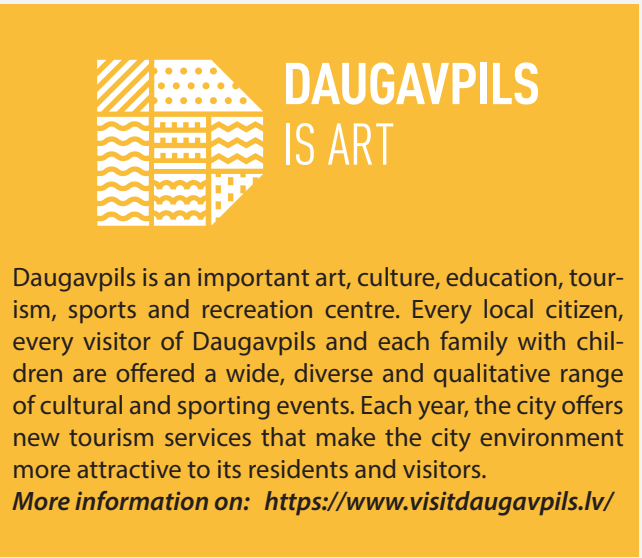

In the frames of the competition in 2017 Daugavpils municipality received a money award of EUR 10 000, which, together with the funding from the State Regional Development Agency that was received in the frames of the state budget-funded target programme “Family Support Projects Competition for Municipalities in Co-operation with NGO”, was spent on creating an educational playground in the territory of Latgale Zoo.

The prize of EUR 15,000, which was received in 2018, was used for complementing digital equipment of Family Digital Activity Hub at Latgale Central Library, including the purchase of an interactive “magic carpet”.

The city was ranked high in the competition due to the excellent balance between infrastructure and social support, as well as increasing in cooperation between Daugavpils Municipality and families.
